LOVE, NILS SHINE-A-LIGHT CHARITY GALA, 6 SEPTEMBER 2024, ONE FARRER HOTEL

According to the Singapore Childhood Cancer Registry, an estimate of 180-200 children are diagnosed with cancer in Singapore annually. While medical advancements have significantly improved survival rates for childhood cancers. However, the psychosocial impacts, such as emotional distress, treatment anxiety, academic problems, disrupted family relationships and reduced quality of life, are often overlooked.

After the pain and shock of a cancer diagnosis, children and their families are immediately faced with the next giant hurdle – how to get both medical and non-clinical support they need. At LOVE, NILS we provide a holistic approach to children and adolescents (0-19 years old) with cancer and their caregivers. This includes the much needed healthcare guidance, emotional care, social and community support that will enable them to thrive. LOVE, NILS collaborate with the medical professionals and nursing teams at KK Women's and Children's Hospital (KKH), National University Hospital (NUH), and Mount Alvernia Hospital to offer psycho-social programmes to these young cancer patients in Singapore.

This year, we are organising the 7th Charity Gala fundraiser dinner on Friday, 6 September 2024 at The Grand Ballroom, One Farrer Hotel.

Please join us at this meaningful dinner, by reserving a table for 10 guests at \$10,000 or \$4,000 (reply form attached). Or you can also make a donation. All funds raised will go towards providing strong support programmes for these young patients, survivors and their affected families. We run 8 free patient support programmes –

- Daily Hospital Art Therapy
- Weekly Community Art Sessions
- Monthly Curated Art Kit drops to our beneficiaries homes
- Monthly Toy Drops at 3 hospitals (KKH, NUH and Mt Alvernia Hospital)
- Back to School Education Tutoring Support
- A dedicated Care Coordinator @NUH to provide patient navigation
- A year-long Calendar of Hope community events, and Hospital Visits by Special Characters to bring cheer to paediatric wards and day clinics
- Monthly Support Group for parents and caregivers to offer them a safe space to share and learn coping strategies

Your generosity will help to transform the lives of young cancer patients, survivors and their families in Singapore. Please contact LOVE, NILS Fundraising Dept at fundraising@lovenils.org if you require more details. Thank You.

Yours sincerely
